There are many East High Alumni who have accomplished outstanding success in their career fields. The Hall of Fame nominee should exemplify a person who has achieved this. The induction ceremony is held annually at the school in conjunction with the Annual 3.0 Club Awards. Hall of Fame inductees are individually honored and given time to speak to the students. Inductees will also be honored individually at the Annual Hall of Fame Luncheon where they will be able to speak to the other Hall of Fame members present. Willingness to participate in both the Hall of Fame Luncheon and Hall of Fame Induction Ceremonies must be confirmed by the selection committee. Friends and family are encouraged to attend. Classmates are also encouraged to attend and support their classmate. Due to time limitations, the number of inductees may vary from year to year. Nominees not selected on the first ballot are entered into the nominee pool for the next year consideration. For additional information about nominations, contact Hall of Fame member, George Tonies @ 330 815 2001 or e-mail him @ gtonies@sbcglobal.net. Mail form to EHS Alumni, 277 Bluff St. Akron, Ohio 44304.
