Many alumni of Akron EHS (now East Akron Community Learning Center) have achieved success during their time at East and/or after completion of their studies at East. The hall of fame nominee should exemplify a person who has demonstrated outstanding accomplishments during their academic or subsequent career.

The induction ceremony is held annually at East High School in conjunction with the annual 3.0 recognition ceremony for students at which time inductees are invited to present brief greetings and encouragement to the attendees. Individual inductees are honored individually at the Hall of Fame Luncheon where they will be presented to previous inductees, friends, family and classmates. Inductees are strongly urged to attend the induction luncheon.

Criteria utilized for selection into the East High School Hall of Fame:

- Graduation from East High School (preference is given for those at least greater than 10 years prior – recent graduates are considered under unusual circumstances)
- Athletic success notable beyond the norm
- Academic/ business/ career achievements recognized by peers/community or others
community/ governmental involvement which has been outstanding and of benefit to others
- Contributions to East High School beneficial to its students and staff which are recognized by the general school community
- Ability to attend induction ceremony by inductee or representative (for posthumous inductees)
